connections, making it simple to explore nearby towns or commute.

The development includes 49 spacious apartments designed for comfort and brightness. There are 6 ground-floor units, five floors with 8 apartments each (offering 1, 2, or 3 bedrooms), and 3 luxurious three-bedroom penthouses. Each home features private terraces with stunning views and fresh air.

Inside, the apartments have fully furnished kitchens with high-quality appliances, bathrooms with shower screens, ducted air conditioning in living and sleeping areas, and an independent arothermal system for hot water. Each unit includes one parking space.

Residents can enjoy building amenities like two elevators, a rooftop communal pool with a chill-out area, solar panels that support energy efficiency, a smart video intercom system connected to your phone, and secure garage parking.

This project offers a perfect mix of modern living, comfort, and sustainability, all within walking distance of Fuengirola's beautiful beaches, shops, and vibrant community.
