Description de la propriété

The architecture is more than you see. We believe in a design that transcends the aesthetic and creates houses designed to make you happy. Spaces devised from sensitivity and designed to adapt to you, your city and the planet. We build homes where design is much more than design: it is #PureDesign.

Capri reinterprets the Mediterranean heritage of the Costa del Sol through modern, quality architecture. The environment blends seamlessly into the natural surroundings. Gardens are landscaped to their full potential to accommodate the spectacular communal areas, set in the wonderful surroundings of the New Golden Mile. This innovative and sustainable project is designed to deliver a true Mediterranean lifestyle. So that life goes at your pace and every moment is your moment.

Inspired by the solidity of classical constructions, yet infused with fluid contours, Capri gives a sensation of effortless joy. Smart shaded exteriors, generous terrace spaces and all embracing windows ensure the be
