Description de la propriété

Pure Sun Residences is a development of two and three-bedroom apartments in a magnificent urbanisation in an extraordinary location. The project combines modern design architecture with perfectly studied landscaping that surrounds the building with its extensive gardens and communal leisure areas that allow the client to enjoy a resort concept.

Pure Sun will have 159 homes, 50 of them in the first phase. The apartments have been designed with an ideal layout with large spaces and terraces designed to be an extension of the home. The orientation of the development and its strategic location allow the views and the sun to be the main protagonists of the terraces.

One of the most attractive features of Pure Sun are its sea views: thanks to its strategic location and the configuration of the development, this project has open views of the sea, from sunrise to sunset.

At Pure Sun, the spacious communal areas have been designed to offer a wide range of amenities, services and entertainmen
